Please send me of the site-charging number. I want to be sure I'm using the correct one.

Amy,

I was checking with John (Branch Chief) and he mentioned that the Branch Chiefs' meeting is the week of June 13, 2016.

Are there other branch chiefs representing their regions? If it is only John, we (Region 6) should be ok.

Sorry of all there extra work. Thanks CAS

Oh brother. I will be on vacation starting June 16th to the 27th. So June 14 or 15 would work. I won't be working on the memo until I return to the office on June 28.

The site information package will need to be ready by the week of May 23rd.

Amy,

I know we (Region 6) are driving you crazy, but it was not enough for the senior managers that we are moving the review for the San Jacinto site from Oct/Nov to now July.

They want us to check and see if it is possible to move it to the middle of June? This will be one of those special reviews and probably a web-conference review. Thanks for your help. CAS
